CASE NO. 8:15CR135

TENTATIVE FINDINGS

The Court has received the Revised Presentence Investigation Report and Addendum ("PSR") and the Defendant's objections (Filing Nos. 85 and 87). The government has not objected to the PSR. See *Order on Sentencing Schedule*, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

Accordingly,

IT IS ORDERED:

1. The Defendant's Objections to Presentence Investigation Report and Statement of Position (Filing Nos. 85 and 87) will be heard at the sentencing hearing;
2. The Court intends to adopt the PSR in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary

hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these tentative findings are final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 15th day of March, 2016.

BY THE COURT:

s/Laurie Smith Camp
Chief United States District Judge
